1L's Attendance Challenge

Dear Parents and Carers,

As a class, we have been talking about the importance of coming to school every day whenever children are well enough to attend.

Regular attendance is incredibly important as it helps children build confidence, maintain friendships and make the best possible progress with their learning. Every day in school provides valuable opportunities that cannot always be replicated when children are absent.

To help encourage and celebrate good attendance, we are launching a whole-class attendance challenge.

Rather than focusing on individual attendance, the children will work together as a team towards a shared goal. Each week, the class will earn points for achieving our attendance target, with bonus points available if we improve on the previous week's attendance.

The children have chosen an exciting reward to work towards: a **Pizza and Film Night** after school before the Christmas break. This means everyone can celebrate the class's achievement together once the target has been reached.

We hope this challenge will encourage the children to think about the importance of coming to school each day and help them develop a positive attitude towards attendance.

We understand that there will always be occasions when children are genuinely unwell and need to stay at home. Please continue to follow our usual absence procedures in these circumstances.

Thank you for your continued support in helping your child attend school regularly. By working together, we can ensure all children have the best possible opportunities to learn and succeed.

Kind regards,

Miss Levett
Year 1 Class Teacher
