

Year 3 Mathematics Yearly Overview 2021-22

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Week 1 2 nd /3 rd INSET days	6th September Geometry (2 creative lessons – use to assess – see plans from last year for lessons). Number/PV & fact fluency assessment (3 lessons)	1st November Addition & Subtraction (5 lessons)	4th January 2022 Measure – Length (inc number & pv) (4 lessons)	28th February Measure – Money (2 lessons) Time (3 lessons)	25th April Fractions (5 lessons)	30th May Fractions (4 lessons) (Fri Queens Jubilee bank holiday)
Week 2	13th September Place Value – Numbers to 1000 (5 lessons)	8th November Multiplication/Division (5 lessons)	10th January Measure (length & height – inc number & pv) (5 lessons)	7th March Measure – Time (5 lessons)	2nd May (Mon bank hol) Fractions (4 lessons)	6th June Geometry (angles) (5 lessons)
Week 3	20th September Place value – Numbers to 1000 (5 lessons)	15th November Multiplication/Division (5 lessons)	17th January Measure (mass – inc number & pv) (5 lessons)	14th March Measure (Time) (5 lessons)	9th May Fractions (5 lessons) (KS2 SATs week)	13th June Lines & shapes (5 lessons)
Week 4	27th September Number/PV (5 lessons)	22nd November Multiplication/Division (5 lessons)	24th January Measure Volume – inc number & pv (5 lessons)	21st March Measure – Time (5 lessons)	16th May Fractions (5 lessons)	20th June End of year tests (3 days) Review (2 lessons)
Week 5	4th October Addition/Subtraction (5 lessons)	29th November Multiplication/Division (5 lessons, inc test)	31st January Measure (inc number & pv) Volume (3 lessons) Money (2 lessons)	28th March Statistics (4 lessons)	23rd May Fractions (5 lessons) Break up Fri 27th May	4th July Perimeter (5 lessons)
Week 6	11th October Addition/Subtraction (5 lessons)	6th December Multiplication/Division (5 lessons)	7th February Book 3B Measure (Money) (5 lessons)	4th April Statistics (2 lessons) Fractions (3 lessons) Break up Fri 8th	Half Term	11th July Perimeter (5 lessons)

Week 7	18th October Addition/Subtraction (5 lessons) Break up Fri 22nd	13th December Multiplication/Division (5 lessons) Break up Fri 17th Dec	14th February Measure – Money (4 lessons) Break up Fri 18th Feb	Easter		18th July Perimeter (5 lessons) Break up Fri 22nd
Week 8	Half Term Set Mathletics work & practice of addition/subtraction facts.	Xmas holiday	Half Term	Easter (set Mathletics assessments)		Summer
Week 9		Xmas holiday		Easter		Summer

If you are approaching the designated number of lessons for the topic, but feel children **need more time to master this topic, you must speak to one of the maths leaders** about this (long term plans can be adjusted, but maths leaders need to keep a whole school overview – and can offer advice on teaching tricky topics/addressing misconceptions/ensuring everything fits into the year/deciding which topics to reduce if necessary).
