

Children will learn about different styles of homes through the ages by looking at pictures, going on a local walk and visiting the Black Country Museum. They will compare life in the past with today.

Children investigate a range of mystery documents and artefacts to discover who they belong to and why the person became famous.

Children explore the prehistoric world, learning how our ancestors survived and about creatures that roamed the Earth thousands of years ago. They will discover elements of the era through landmarks and artefacts.

Year One

Houses & Homes

Famous People

Year Two

Stone Age

Children learn about Egyptian life, including the importance of the Nile. They plan and make their own shadufs and discover what the pyramids were and about key Pharaohs.

Ancient Egyptians

Children learn about the history of Birmingham on a guided walk; discovering the importance of the canal network to its industrial heritage and about key historical figures.

Local History Birmingham

Year Three

Fire & Plague

Children create a timeline of key events during the Great Fire of London using Pepys diary entries and other sources. They compare responses to the plague with medicine today.

Year Four

Castles & Knights

Roman Britain

Children have a Roman workshop led by a visiting expert. They learn about life in Roman Britain and their impact on us today.

Year Five

The Tudors

Ancient Greece

Children will learn about the history of human migration to the United Kingdom and in particular the 'Windrush' generation

Migration

Children create a timeline of key events and simulate evacuation. They learn about key historical figures and events such as the Blitz and how they have shaped the world they live in.

World War 2

Year Six

Children learn about key events in the history of the American civil rights movement. They compare this with similar events in the UK and the current BLM debate.

Civil Rights Movement
