

French phonics and alphabet

Autumn 1

Children will recap the alphabet and phonics and basic greetings. Children will then learn how to say more complicated greetings and practise simple conversations.

Autumn 2

Years 5 and 6: Les nombres, les fruits et les légumes

Year 5 and 6: Children will learn the numbers to 100, they will recap the days of the week, the seasons, fruits and vegetables and how to say 'like' and 'dislike'.

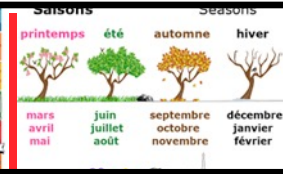

Children will recap what they learnt last year about house and rooms inside them.

Year 6: Les Habitats/chez moi

Year 5: La Famille

Children will learn about the family members and use this in conversations.

Spring 1

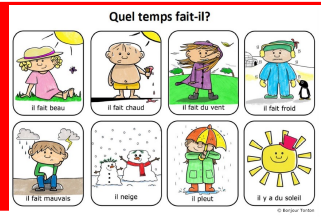

Year 6: recap names of family members

Year 5: Les Habitats/chez moi

Year 6: Quel temps fait-il?

Year 5: Quel temps fait-il?

Spring 2

Children will recap the weather and how to embed this into conversations.

Summer 1

Children will learn about the weather and how to embed this into conversations.

Children will revise all that they have learnt and demonstrate learning through a short quiz both written and oral. They will build on prior learning to construct conversations in French.

Summer 2

Children will learn about items of clothing and how to use this in conversation; also, I am wearing: Je porte

Year 6: Les vêtements
