

## Year 1 Art and Design Autumn Term Newsletter

Topic: Houses and homes

Year 1 have been learning about maps. They have compared maps created by cartographers and maps created by artists and illustrators. Year 1 also looked at aerial maps of Colmers Farm school and the surrounding area using Google earth. They created their own aerial map of the school using drawing, painting, collage and resist techniques with paint oil pastels. Their work is inspired by the graphic artist Jazzberry Blue.
