

Year 3 Mathematics Yearly Overview 2026-27

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Week 1	Number and Place Value: Numbers to 1000	Calculation: Multiplication and Division (MNP Chp 3)	Measurement: Length (MNP Chp 5)	Measurement: Money	Measurement: Time	Geometry – Properties of Shapes: Angles
Week 2	Number and Place Value: Numbers to 1000	Calculation: Multiplication and Division	Measurement: Length	Measurement: Money	Statistics: Pictogram and Bar Graphs	Geometry – Properties: Lines and Shapes
Week 3	Number and Place Value: Numbers to 1000	Calculation: Multiplication and Division	Measurement: Mass	Measurement: Money	Fractions, Decimals & Percentages: Fractions	Measurement: Perimeter of Figures
Week 4	Calculation: Addition and Subtraction	Calculation: Further Multiplication and Division	Measurement: Mass Measurement: Volume	Measurement: Time	Fractions, Decimals & Percentages: Fractions	Measurement: Perimeter of Figures
Week 5	Calculation: Addition and Subtraction	Calculation: Further Multiplication and Division	Measurement: Volume	Measurement: Time	Fractions, Decimals & Percentages: Fractions	Revision and End-of-Year (B) Revision
Week 6	Calculation: Addition and Subtraction	Calculation: Further Multiplication and Division	Measurement: Volume Mid-Year Revision		Fractions, Decimals & Percentages: Fractions	Review and Remediation
Week 7	Calculation: Addition and Subtraction	Calculation: Further Multiplication and Division			Geometry – Properties of Shapes: Angles	
Week 8	Calculation: Addition and Subtraction
