

COLMERS FARM PRIMARY SCHOOL

Friday 27th April 2018

Dear Parents/Carers,

I pleased to share that I met with Birmingham City Council and they will be removing the generators and repairing the central heating system over the next 2 to 3 weeks. They are waiting for the asbestos report before they start. This is great news for the school as the generators and heaters are rented at an expense to the children which impacts on our ability to provide the very best education for the children.

I have spent more time in class this week and it is great to see the children so pleased to share their work with me.

All staff have been discussing how we support all children's behaviour so they make the most of their learning opportunities this week. Any feedback you have, especially about the use of Dojos please make contact.

Yours Sincerely

James Hill
Executive Headteacher

Attendance

Please remember school attendance is vital for your child to do their best, and will be monitored closely by school.

Punctuality

There are still a number of children who are arriving late in the mornings. With the lighter mornings coming, we are hoping to see an improvement in punctuality this term.

PARENTAL BEHAVIOUR IN THE SCHOOL PLAYGROUND

Whilst parents are on the school premises, they must:

- Act in a polite and respectful manner towards school staff, governors, pupils and other visitors.
- Not display aggressive or threatening behaviour, or to use inappropriate language.
- Help to create a welcoming environment which promotes equality and diversity.
- Act as positive role models to pupils.
- Support the school ethos of the 3 R's, Respectful, Responsible and Ready.
- Adhere to the School's Code of Conduct for Adults
- Please ensure all discussions and language is suitable for a primary school
