

Dear Parents

On Tuesday this week, we had our new reception children in school for their first visit to Colmers with their parents. This visit proved very popular with children, parents and staff, and is a great way for our new children to be introduced to their new classrooms before their official first day in September. There are three more visits planned between now and the end of the year.

Thank you to all the parents who returned their questionnaire forms last week. I really appreciate the responses and we will use the responses to inform our school development plan for next year. I know for many of you, the consistency of staff over the past few years has been a big issue for you... and rightly so. This is something that myself and the leadership team are going to be working hard to address. We are pleased to announce that we have a full complement of teachers in place for September, which should ensure a smooth start to our new academic year.

Well done to all the Year 1 children who have been completing their phonics screening tests this week with their teachers. The results for these will be shared with parents in the children's annual end of year reports.

Work has started this week on replacing the school boiler. This has led to a change in the entrances and exits from school for some children. We are sorry for an inconvenience that this causes and we appreciate your patience while this building work takes place. We are hoping that this will all be completed for the start of November.

Thank you to all those parents who have recently been attending Mathletics workshops. Please encourage your children to use this regularly at home. This is part of our pupil's regular maths homework (for Years 2-6) and it is a fun way for children to improve their fact fluency and other areas within maths. If you have any questions about Mathletics, please see your child's class teacher.

School Uniform and Footwear

It has been noticed that children are wearing trainers around school. This is not part of our uniform policy. From September, our uniform policy will be more strictly adhered to and trainers will not be permitted. Children will however, be allowed to change into trainers during play/dinner times if they wish.

WELCOME BACK

We would like to welcome Miss Galvin back from Maternity Leave, she also got married during the Easter holidays. Her new name now is Mrs Fellows.

Congratulations

JEWELLERY

Children should not be wearing jewellery to school. All jewellery is to be left at home, this includes studded ear-rings. Children will be asked to remove them if they have PE as they can cause injuries and they could get lost.
