

Dear Parents

On Thursday, it was not only the England ladies' team that were playing. Colmers' girls' football team were also in action playing a very impressive four games. They played against Raddlebarn, St. Mary's, Kings Norton and Bells Farm Schools. The girls unfortunately, in spite of the fact they played with tremendous enthusiasm, effort and great team spirit, lost three games and drew one game (against Raddlebarn). Over the games, Sophie scored 2 goals and Kasia scored 1 goal. We are really proud of all of the girls who took part and who represented our school so well.

Today, we had our non-uniform day, which always puts a smile on everybody's face. This was to bring in much needed food for use by our local B30 foodbank. I would like to say a huge thank you to everybody who brought in something that they could spare. It did not matter whether it was one tin or a whole shopping bag of food. Your generosity was amazing and I am really proud of the quantity of food that we have managed to collect. I know that the food bank and all of the people that it supports will be incredibly grateful.

At Colmers, we do have a few children who have nut allergies. Please can you ensure that children do not bring into school, in their sandwich boxes, any foods containing nuts. For children's birthdays, treats are often brought into school. If these may contain nuts, please alert the class teacher. Thank you for your support with this.

Congratulations to Miss Rudge and her adult netball team, who have been invited to meet the Jamaican national netball team this weekend. I'm sure that Miss Rudge and her team have been practising, just in case an impromptu game begins.

Next Wednesday is transition day for our children. Here the children will get to find out who their new teachers are for next year and they will get to spend some time with them before September. We will be very pleased to welcome our new teachers to Colmers during this day.

Good luck to our Year 6s who will be visiting their new secondary schools on various days next week (including on our transition day). This is a really exciting time for them. Please encourage them to do their best to create a good first impression and to show their new secondary schools how wonderful all of the children are at Colmers. I really hope that they all enjoy their day/s there.

You should receive your child's end of year report on Friday 12th July. Please be aware that straight after school on Monday 15th July, we will be having a parents' drop-in session for any parents who wish to discuss the contents of their children's end of year reports with their child's teacher.

With the warmer weather here, please can you ensure that your children have a water bottle in school.

I hope that you all have a lovely weekend.

Mr. Williams
Head Teacher

Friday 28th June, 2019

DIARY DATES

Friday 5th July

Yr 5 – Turves Green

Monday 8th July

Year 6 Trip – Bear Grylls Adventure
