19th November 2021

Dear Parents and Carers,

At Colmers Farm, we understand the importance of leading healthy, active lifestyles. As part of this, we know that many of our children love to ride their bikes with their friends and family members. As a school, we know how important it is that our children know how to always keep themselves safe. Part of this safety is making sure that the bikes we are riding are as safe as possible.

On **Thursday 25th November**, we are lucky enough to be getting a visit from Dr Bike. Dr Bike is a bike safety expert, and he will spend the day doing a safety check on all the bikes that are bought into school. As part of this, he will then **fix any 'basic repairs' for free.**

If they notice any issues with the bikes that they are unable to fix, Dr Bike will highlight this and make adults aware that this is something that needs to be sorted and fixed elsewhere.

If you would like your child's bike to be safety checked by the Dr Bike team, please bring your bike to the **lower hall entrance at 8:30 on Thursday 25th November.** The bikes will be labelled and safely stored when Dr Bike isn't working on them.

Please collect your child's bike at the **end of the school day** from the lower hall entrance.

Yours sincerely

Miss Jennings
Year 4 Teacher/PE Lead
