Dear Parents,

Please note that no secondary school pupils will be allowed on the primary school playground or field unless they are accompanied by an adult or have express permission to collect a primary school aged pupil.

Unfortunately, there have recently been a number of incidents on the primary school playground that have caused upset and distress, as well as damage to property. Inappropriate and dangerous items have also been reported being brought on to the playground.

If you are collecting children from both the primary and secondary schools, please arrange to meet your older children before entering the playground or at the gates once primary school children have been collected.

Children on the playground or field will be asked to leave by primary school staff and we ask for your support in letting your children know of these new arrangements.

Yours sincerely,
