7th September 2021

Dear Parents/Carers

It was wonderful seeing everybody back in school yesterday wearing their school uniforms. School uniforms (including PE kits) are something we are going to work hard with to ensure all children are wearing this consistently in school this year (as I mentioned in my letter to you all before the summer holidays on 14th July 2020).

We understand that on some rare occasions pupils will be unable to wear the full correct school uniform for a valid reason. If this is the case, please let the school office know in the morning or speak to one of our leadership team on the playground. We are always happy to help and will make exceptions for this.

In terms of fairness and equality though, unless there is a valid short-term reason, we expect all of our pupils to wear the correct uniform consistently. Please remember that trainers are not part of our school uniform.

For details about our school uniform, please see our school uniform policy. This is available in the policies and documents section of our school website. To summarise:

General Uniform

EYFS, Years 1 and 2	Years 3, 4, 5 and 6

Branded uniforms can be purchased from Kids Essentials. Non-branded uniform items can be bought from most clothing shops and supermarkets. At Colmers Farm Primary School we are happy for you to purchase either of these as we recognise that branded uniform items can put an additional strain on the finances of some families. Free 'loved' second hand uniforms, including shoes, can also be obtained from the Rubery Community Swop Shop. See www.ruberyswopshop.co.uk for further details. Please speak to Mrs Taylor should you require any support with this.

Thank you for your continued support.

Yours sincerely
