Thursday 16<sup>th</sup> March 2023

Dear Parents/Carers,

World Down Syndrome Day falls on **Tuesday 21<sup>st</sup> March 2023**. As a school, we would like to show our support by everybody coming into school wearing something blue and yellow on this date.

On this day, people with Down syndrome, and those who live and work with them throughout the world, organise and participate in activities and events to raise public awareness and to create a single global voice advocating for the rights, inclusion and well-being of people with Down syndrome.

At Colmers Farm Primary School we are a No Outsiders school and we know the importance of treating everyone equally and supporting others, who may face difficulties every day. The children recognise that we are a diverse and inclusive school and we are all different.

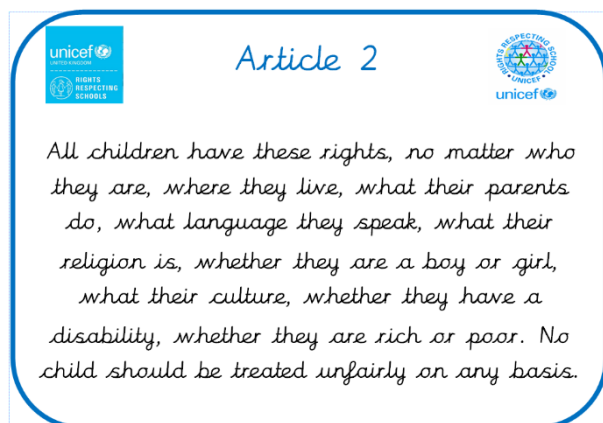

At school we learn about children's rights and one of the rights says:

During the day, we will raising awareness of Down syndrome through a class assembly.

Thank you for your continuous support,

Mrs. Greep
