Dear Parents/Carers

Since the closure of Rubery Nursery's After School provision, which I know many of our parents relied upon, we have been searching for a supplier who can provide this valuable service at our school to those families who require it.

Before the holidays, we found a supplier who agreed to commence providing this paid for service at our school from Monday 12th September. Yesterday however, this company pulled out of this agreement, due to them being unable to recruit sufficient staff to lead this provision. This is really disappointing to us as a school and to those families who may have been hoping to use this service.

As a school, we will continue to investigate other potential providers for this service and we will keep you informed of any progress we make in this regard.

My apologies for the inconvenience that this may cause some of you.

Yours sincerely

Mr Williams
