Dear Year 5 Parents/Carers

As part of our commitment to helping your child to succeed at school, each child has been provided with a red maths and blue grammar, punctuation and spelling book, which is theirs to use at home throughout their time in Year 5. These are reference books, **which we would like returned at the end of the academic year**. Please note it is important your child takes care of these reference books, as **books that are lost or intentionally damaged will need to be paid for at a cost of £5.95 per book**.

Your child has also been given a maths question book and a grammar, punctuation and spelling question workbook. Both of these question books are for your child to keep. These will be used as part of your child's homework. Each week, your child will be set pages from each book to complete by their class teacher. The reference books have been provided to support with the completion of this homework.

We do hope that you will support your child by ensuring that they complete the tasks set by their teacher and by looking after the books that have been sent home. If you have any questions about these books or would like to talk to your child's class teacher about how you could support your child further, please do approach our office staff, who will be happy to arrange an appointment for you to speak with your child's class teacher.

Kind regards

Miss Tonks and Miss Morgan
