Dear Parents/Carers,

As many of you will be aware, the National Curriculum states that all children should be confident with all times tables up to 12x12 by the end of Y4. Rapid recall of these times tables really gives all children an excellent foundation on which they can build a wide variety of mathematical skills.

With this in mind, the Year 4 teachers would like to invite you to an informative meeting about this year's Year 4 Multiplication Tables Checker (MTC).

On Monday 20th March, at 2:30pm, we will be talking about the tests that your children will complete during June, how they will be administered and how you can help at home to prepare your children for these. We will also provide you with some resources to take away. Tea, coffee and biscuits will be provided!

To help us prepare, could you please confirm your attendance (by returning the attached slip) by Friday 17th March 2023.

Please note, this session will not be suitable for younger siblings to attend.

We look forward to seeing you.

The Year 4 Team.

Name of child: _____ Class: _____

I will be attending the meeting about the Multiplication Tables Checker on Monday 20th March 2023 at 2:30pm.

We're working towards Artsmark Awarded by Arts Council England
