Friday 20th January 2022

Dear Parents and Carers,

Maths Inspire Workshop

We will be holding our Year 1 maths workshop on **Wednesday 8th February 2022**.

At the workshop, we will explore the mastery curriculum that we follow at school. To become a successful mathematician, a positive parent partnership is needed between home and school. We hope you will be able to join us at this workshop to support your child's learning and development.

The inspire workshop will take place in the lower hall and we will meet initially with parents and carers. The children will join us a little later. During the workshop, we will discuss the ways in which you can help your children through this journey before going on to complete a fun activity with your child.

Please arrive at the main office entrance to sign the register at 2.15pm. We will be starting promptly.

We look forward to seeing you.

Yours sincerely

Miss Wood and Miss Kent
