Wednesday 18th January 2023

Dear Parents/Carers

NSPCC Number Day – Friday 3rd February 2023

On Friday 3rd February, we will be taking part in the NSPCC Number Day. This day will include fun maths activities and games for pupils to enjoy, whilst raising awareness of NSPCC services such as Speak out Stay Safe and Childline. The NSPCC Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

We will also be taking part in Dress up for Digits. **On Friday 3rd February, pupils are invited to wear an item of clothing with a number on it** (examples include wearing a football shirt, cap, netball shirt or even a onesie). The photos below may provide further inspiration:

Please do not feel that you need to buy a costume. If your child is unable to dress based on a number, they can still wear non-uniform. All pupils are asked to prepare a fact about a number in advance and be ready to share it (for example, my number is 10 more than 64, guess my number).

We would also like to use the day to **collect food for the local food bank** (the food can be canned or in a packet). If you are able, **please send your child in with your food bank donation on Friday 3rd February.**

You can find out more about the NSPCC's work at nspcc.org.uk
