July 2023

Dear Parents/Carers,

After October half term, we will be making some changes to our dinnertime provision in terms of the activities we have for our children to engage with. In preparation for this, we would very much like to collect in school some seemingly random items, which we are hoping you may be able to help with. Please note, we do not want parents to purchase these items, we are hoping for old and no longer needed items which may be taking up space around the house or in sheds. The items we would like to collect are:

- Metal sieves/colanders
- Sand toys
- Buckets and spades
- Metal cooking utensils
- Gardening trowels
- Buckets
- Wooden brooms
- Old metal pots and pans with or without lids (No glass lids please)
- Washing up bowls
- Any children's dressing up outfits (ages 4-11) e.g. superhero outfits, princess dresses etc

Please send any items you can spare into school in September. We will send a reminder letter in September also, we just wanted to get in their early before anybody had a potential clear out during the holidays.

Thank you in advance for your generosity and any support that you can provide with this request.

Kind regards,  
**Mr Williams (Headteacher)**
