10th January 2023

Dear Parent/Carers,

Year 6 Residential Trip: Wednesday 8th November - Friday 10th November 2023 - Boundless Outdoors

We have organised a three-day residential for our 2023/24 Year 6 children to Boundless Outdoors in Bell Heath (Stourbridge). The children will be staying overnight, and a range of different fun activities will be completed during their stay. The last residential was such a success for last year's Year 6.

We have 45 spaces available on this trip, if there are not enough children in 2023/24 Year 6 who wish to go, we will offer any spare spaces to those in Year 5.

This is a great opportunity for our children to have fun and build positive relationships outside of the classroom environment. The children will develop their teamwork, resilience and will conquer a range of fears!

Colmers Farm Primary School will be subsidising some of the trip costs. The total cost of the trip will be £145. The payments will need to be made via our Arbor app and the **full £145 will need to be paid by 4th September 2023** – no cash can be paid into the school. We will accept payments in instalments via Arbor. **To secure your place on this trip, we ask for the consent form below to be completed and for a non-refundable £10 deposit to be paid via Arbor.**

We want to make sure that all the children have a wonderful time on the residential. It is important that the children's behavioural choices are consistent between now and the trip in November 2023. If any children are not following our school rules consistently (Ready, Respectful and Safe), they may lose their place on this residential. A refund will be given (minus the non-refundable deposit).

Please complete and return the consent form attached **before Friday 31st March** to secure your place, we will also need emergency contact details and any medical and allergy information for your child.

Yours sincerely

Mrs. Greep
