29th June 2023

Dear Parents/Carers,

During our last School Council meeting, we discussed that pupils would like more equipment in the playground during playtimes and dinner times. So, we thought we should purchase some new equipment to ensure children are being occupied throughout these times.

We would like to raise some money for this, and we have decided to do a whole school non-uniform day. This event will be held on **Friday 14th July**, and we are asking that your child/children bring in a 50p donation please.

If every child in school contributes 50p then we will raise £203 which will be exceeding our goal of £200.

Our School Council look forward to seeing everyone in their own clothes supporting our idea on this date.

Thank you for your continuous support.

Yours sincerely,

The KS2 School Council
