Tuesday 10th January 2023

Dear Parents/Carers,

You are invited to join us on **Tuesday 28th February and Wednesday 1st March 2023** from **8:45am-10:15am** to take part in two SATs inspire workshops.

Tuesday 28th February 2023- Reading/SPAG workshop

Wednesday 1st March 2023- Maths workshop

The inspire workshops have been organised so that you will have the opportunity to work alongside your child in preparation for SATs in May 2023.

During these sessions, we will show you how reading, maths and SPAG are taught in Year 6, and you will have the opportunity to ask any questions you may have about supporting your child with their learning outside of school. In addition to this, we will provide you with strategies and sample SATs papers to take home with you.

During this workshop, you will have the opportunity to work with your child, to see how they approach their learning and to work together to tackle the activities we provide. This will be a fantastic opportunity to see how your child works when in school and to see the challenges the children are facing and overcoming every day.

Please could you return the slip below to indicate whether you plan on attending the inspire workshops by **no later than Friday 20th January 2023**.

The Year 6 team are really looking forward to seeing you.

Thank you for your continuous cooperation,

The Year 6 team.
