Monday 6th March 2023

Dear Parents/Carers

World Maths Day – Mathletics Competition

On Wednesday 8th March, it is World Maths Day. Mathletics will be hosting a 48-hour online competition, starting at 7pm on Tuesday 7th March. It is free to enter; pupils just need to use their login to sign in on the day. Please encourage your child to join millions of pupils across the globe to celebrate World Maths Day. For each correct answer, they will earn 1 point towards their World Maths Day Score. Mathletics will be awarding prizes for the top 3 highest scoring global pupils in each year group and the highest scoring school in each year group. Prizes include iPads, trophies, and vouchers. So, let's compete together and celebrate this exciting day!

Pupils in years 2 – 6 should have a copy of their Mathletics log in. If your child no longer has a copy of their login, another copy can be provided by their class teacher.

Yours sincerely

Mrs H Platt and Mrs S Duggal
(Maths Leads)
