12TH January 2024

Dear Parents and Guardians,

All children in Year 6 have the opportunity to attend the Birmingham Cathedral as part of their RE learning this term. This trip will enhance subject knowledge about the religion of Christianity and will help to embed respect and tolerance towards others, which links to our British Values teaching and No Outsiders ethos at Colmers Farm. It will also allow the children to understand further how people of different religions worship and celebrate.

The children will be attending the Birmingham Cathedral on **Thursday 25th January 2024**. The trip will take part during school hours, so collection and lunch arrangements will be as usual. The children will be travelling to the venue via coach, which has been paid for by the school.

Your child will need to wear their full school uniform, comfortable shoes/trainers and bring a coat with them. Please could you also send a healthy snack with your child and a water bottle. **As Year 6 children now have PE on a Thursday afternoon, they will need to bring their PE kit in a separate bag to change into when we return at lunchtime.**

We are asking parents for a voluntary contribution of £5 towards the cost of the trip which can be paid via Arbor.

Please could you complete the below permission slip and return this to the school by **Monday 22nd January**.

Thanks for your continued support.
