17th November 2023

Dear Parents/Guardians,

Chess Club – interest form

We have been very fortunate to have secured a grant from the Department for Education to enable us to run a chess club for children in years 4 – 6 for the remainder of this academic year.

This club will be free of charge and will run before school on a Thursday from 7:30am – 8:30am by a qualified chess coach.

Aside from developing cognitive skills, chess also develops children's social skills. A benefit for children in playing games with rules helps to assist in developing social aspects, such as taking turns, learning fair play, self-respect, and respect for others, understanding others' perspectives, and developing empathy.

Before we commit to running this club, we want to establish the level of interest for a before school chess club.

If your child is interested in attending the chess club for the remainder of the academic year, please could you complete the below slip and return this to your child's class teacher or the main office by **Tuesday 21st November.**

Yours sincerely,

Mr Williams
Headteacher
