20th March 2024

Dear Parents / Carers,

EYFS – Monday 29th April 2024

Birmingham Community Healthcare will be coming into school on Monday 29th April to complete eye tests for children in our Reception classes.

The NHS recommends vision screening at age 4 to 5 years. The Birmingham Community Healthcare team want to identify children with reduced vision in one or both eyes. The aim is to detect any problems early enough so that your child can receive effective treatment.

Please see the leaflet that has been sent out with this letter which will give more information on this screening process.

If you have any queries, please feel free to either contact the school office on 0121 716 0444 or email enquiry@colmersfarm.excelsiormat.org.

Yours sincerely,

Mr Williams
Headteacher
