6th February 2024

Dear Parents/Carers,

EYFS – Maths Workshop

On **Friday 1st March** there will be a Maths parent workshop for all Reception classes.

If you are able to attend, please could you come to the main school entrance at 2.15pm. We will start soon after everyone has arrived.

We will introduce the session to you and then bring your children to the hall. You will get to see what the children do in their Maths sessions and it will help you to support your child at home.

Please complete the reply slip to confirm your attendance and return it to school by **Monday 26th February 2024.**

We look forward to seeing you then.
