10th November 2023

Dear Parent/Guardian,

KS1: e-safety Workshop

On **Wednesday 15th November** we will be holding an e-safety workshop at Colmers Farm Primary School from **2pm – 3pm** for parents.

Being online is an integral part of children and young people's lives. Social media, online games, websites, and apps can be accessed through mobile phones, computers, laptops and tablets – all of which form a part of children and young people's online world.

The internet and online technology provide new opportunities for young people's learning and growth, but it can also expose them to new types of risks.

The e-safety workshop will discuss and provide information about how children and young people use existing technology, the risks involved and how to protect them from harmful content online.

We would encourage as many parents as possible to attend this workshop but please note that the workshop is not suitable for children due to some of the content that will be discussed.

Yours sincerely,

Mr Williams
Headteacher
