Dear Parents / Carers,

School trips being cancelled

You may be aware that we have had to cancel a number of school trips this academic year due to the low number of voluntary contributions towards the cost of these trips.

Broadening our pupils' experiences is something we value and encourage through organising trips and visitors. As a school, we must rely on voluntary contributions to help pay for these experiences as our school cannot fund these solely.

We know that finances are hard for many of our families right now so we want to reach out to see what your thoughts are on how we can support parents/carers in being able to afford school trips moving forward.

If you have any suggestions you would like to put forward for us to consider please email them to enquiry@colmersfarm.excelsiormat.org or alternatively please feel to write them down and drop them off to the main office.

Thank you for your continued support.

Yours sincerely,

Mr Williams
Headteacher
