10th May 2024

Dear Parents / Carers of children in Year 5,

In collaboration with West Midlands Police, we are pleased to welcome Cadbury 6th Form College Performing Arts students into school next week. The students will perform a short (30 minute) performance, centred around online / social media use and appropriate friendships.

'Cadbury College Performing Arts students are proud to present their piece of Theatre in Education about Cyber Bullying. This piece follows a student, Bella, as she joins a new school; she is entrusted with a phone by her parents but has trouble sticking to their rules for responsible use when peer pressure comes into play. She posts a video of herself online and is subject to trolling, which turns out to be none other than one of her new 'friends'. Watch how Bella and her peer group are able to navigate the trials and tribulations of learning to use the internet responsibly, take accountability for their actions and learn to hold friends to account for bad behaviour, instead of being bystanders.'

With the increase in mobile technology use, we are keen to offer as many opportunities as possible to help educate our children about safe and responsible use.

The performance will be delivered to all children in Year 5 on Wednesday afternoon in the school hall.

Yours sincerely,

Mrs Emma Young
Deputy Head Teacher
