Dear Parents/Carers,

## Year 1 – British Values poster

During half term we are asking Year 1 to create a British Values poster which they will need to bring into school on **Monday 19<sup>th</sup> February**.

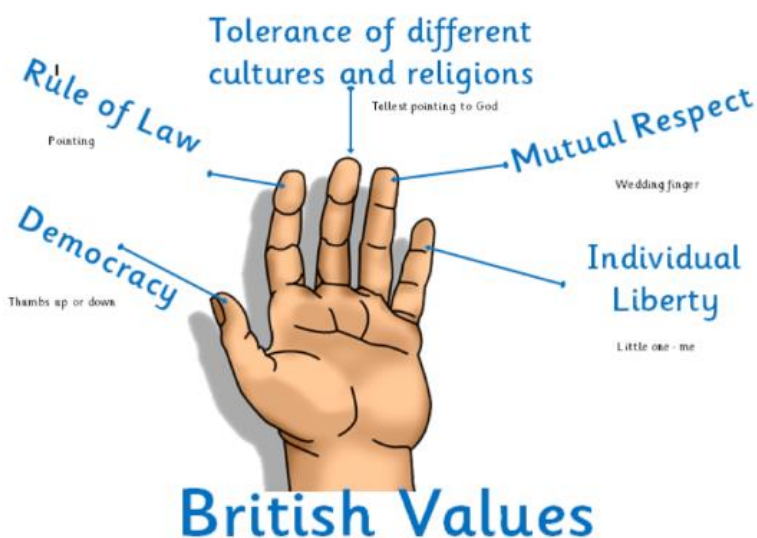

British values are embedded into all our KS1 lessons through creating an environment where children feel listened to and respected which is why we feel it would be a great activity for Year 1 to do over the half term to get them thinking about this in more depth.

If you could help your child in creating this poster and encourage them to really think about British Values this will help to further embed their understanding of British Values.

If you have any questions, please feel free to speak to your child's class teacher or contact the school office on 0121 716 0444.

Thank you for your continued support.
