13th October 2023

Dear Parents and Carers,

Next half term, the Eco Committee will be looking for Year 2 children to help them to create a more diverse environment at our school for insects and animals during an after-school club. The club will include activities inside and outside, enhancing habitats on the school grounds and making sure there is enough food for creatures during the winter.

The Eco Club will run on Mondays 3:30 – 4:30. The first club will start on Monday 13th November and it will run until Monday 18th December.

If your child would be interested in joining our Eco Club, please return the below slip to their class teacher by Monday 23rd October.

Please note, club places are limited and if we receive more applications than places, places will be allocated on a random basis.

**** You will be notified if your child gets a place ****

If you have any questions, please do not hesitate to contact the school office.

Kind regards,
Miss Freemantle
Eco Committee Lead

Child's Name: _____ Class: _____

My child would like to attend Eco Club

I understand I will receive confirmation if my child gets a place.
