Dear Parents/Carers,

Year 6: Dogs Trust Charity

Each year group at Colmers Farm Primary School chooses a charity to support each academic year. Year 6 have chosen to support the Dogs Trust.

In order to broaden Year 6's understanding of the wonderful work that the Dogs Trust carry out they will be coming into school to deliver a workshop and assembly on Tuesday 19th December from 1pm until 3pm.

We will also be looking to fundraise for the Dogs Trust and will be discussing ideas with the children on how they would like to do this. More information will follow closer to the time of this event.

To read more about the wonderful work the Dogs Trust carries out please visit [Dogs Rehoming & Dog Rescue Charity | Dogs Trust](#)
