13<sup>th</sup> October 2023

Dear Parents and Carers,

Next half term, we will be looking to have an Eco Club after school. As your child is a member of the Eco Committee, it would be great if they could be part of this club. We will be working with Year 2 children, creating a more diverse environment for insects and animals in our school grounds. The club will include activities inside and outside, enhancing habitats on the school grounds and making sure there is enough food for creatures during the winter.

The Eco Club will run on Mondays 3:30 – 4:30. The first club will start on Monday 13<sup>th</sup> November and it will run until Monday 18<sup>th</sup> December.

If your child would be interested in joining our Eco Club, please return the below slip to Miss Freemantle by Monday 23<sup>rd</sup> November.

**As a member of the Eco Committee, you are already guaranteed a place if your child would like to attend.**

If you have any questions, please do not hesitate to contact the school office.

Kind regards,  
Miss Freemantle  
Eco Committee Lead
