Dear Parents and Carers,

National Book Tokens School Library Prize

We're excited to share an opportunity that could make a big difference to our school library and we need your help!

The annual National Book Tokens School Library Prize is now open, giving five schools across the UK and Ireland the chance to win £1,000 in National Book Tokens. This incredible prize will help us fill our library shelves with brand new books to inspire a love of reading in every student. Even better, each winning school will also receive £300 in cash to improve their library space, making it a more welcoming and engaging place for all our readers.

How can you help?

Please take a moment to nominate our school using the form linked below. The more nominations we receive, the better our chances of winning this fantastic prize!

Together, let's raise the profile of reading in our school and give our children access to the rich, exciting world of books.

As always, if you have any queries, please feel free to contact the school at anytime on 0121 716 0444 or email enquiry@colmersfarm.excelsiormat.org.

Thank you for your continued support.

Yours sincerely,

Miss Brenwald and Miss Hooper
