Friday 30th January 2026

Dear Parent/ Carer,

We are sending home the SATs revision books with the children. Weekly homework tasks will be set during the school day to ensure the children know exactly what they need to complete.

The red and purple revision books are being loaned to the children and will need to be returned once SATs are finished in May. These books do not need to come into school daily.

The workbooks that the children write in must be brought into school every day, as the Year 6 team will be regularly monitoring them to ensure that tasks are completed.

Homework is an essential tool in supporting children's learning and helping them consolidate key concepts. We will set homework tasks in the workbooks every Friday and these must be completed by Monday.

These revision books are a valuable resource to help prepare the children for the upcoming SATs papers and they also revisit concepts taught in previous year groups.

If your child is finding any of the tasks difficult, they should speak to Mrs Greep or Miss Freemantle. We are here to help and want to support the children as much as we can.

Thank you for your continued support.

Yours sincerely,

Mrs Greep
