27th January 2026

Dear Parents / Carers,

EYFS – Vision Screening

Birmingham Community Healthcare will be coming into school on **Friday 27th February** to complete vision screening test for children in our EYFS classes.

The NHS recommends vision screening at age 4 to 5 years. The Birmingham Community Healthcare team want to identify children with reduced vision in one or both eyes. The aim is to detect any problems early enough so that your child can receive effective treatment.

Please see the leaflet attached to this letter which will give more information on the screening process and how to opt out of this screening test.

If you have any queries, please feel free to either contact the school office on 0121 716 0444 or email enquiry@colmersfarm.excelsiormat.org.

Yours sincerely,

Mr Williams
Headteacher
