Dear Parents and Carers,

We are writing to ask for your support with the return of some **Read Write Inc (RWI) reading books** that are currently unaccounted for.

RWI books are an essential part of our daily reading programme, and we have noticed that a number of them have not yet been returned to school. These books are shared resources and are needed by all children taking part in the programme.

Below are examples of the types of books we are talking about, to help you identify them at home:

Children may have received paper copies of the books, which also need to be returned to school.

We would be very grateful if you could check at home and return any of these books to school as soon as possible. If you are unsure whether a book belongs to school, please feel free to send it in and we will check.

Thank you for your continued support in helping us promote reading and care for our school resources. If you have any questions, please do not hesitate to contact the school.

Kind regards,

Mr Williams
Headteacher
