1st July 2026

Dear Parents / Carers,

Mixed Classes from September 2026

I am writing to inform you of an important update regarding our future Year 2 and Year 3 classes from September 2026.

In order to provide the best possible learning environment for all pupils, the current Year 1 and Year 2 classes will be reorganised and mixed. This decision has been made carefully, with the aim of creating a more balanced distribution of pupils across the classes.

By restructuring the groups, we will be better able to support the academic, social, and emotional needs of every child. This approach allows us to ensure that each class has a positive learning dynamic and that all pupils receive the appropriate level of challenge and support.

We understand that children value their friendships, and we have taken this into account during the planning process. Staff who know the children well have been closely involved to ensure that pupils are placed thoughtfully within the new classes. The class groups have been trialled in recent weeks to ensure everyone is happy. The children have spent today in their new classes with their new teachers.

We appreciate that change can sometimes bring questions, and we are committed to supporting both pupils and parents throughout this transition.

If you have any concerns or would like to discuss this further, please do not hesitate to contact the school on 0121 716 0444.

Thank you for your continued support.

Yours sincerely

Mr Williams
Headteacher
