1st May 2026

Dear Parents / Carers,

Year 6: Safeside – Fire Safety

West Midlands Fire Services have offered our Year 6 children a wonderful opportunity to take part in a fire Safety full day event at Safeside at Eastside in Birmingham on **Wednesday 8th July 2026**.

The Safeside centre at Eastside provides experiential safety learning for children, young people and adults, designed and maintained to complement the current PSHE curriculum.

The centre features an immersive, full-size indoor safety village. It has several scenarios including a bank, house, road, shop, police station and canal. It allows children to learn about real dangers, within a safe and controlled environment.

The children will travel via coach after morning registration and will return for the usual end of day dismissal of 3:15pm.

If you are happy for your child to attend this wonderful opportunity, please could you complete the attached permission slip including selecting your child's lunch option. Forms need to be returned to your child's class teacher by **Friday 8th May 2026**.

Should you have any queries please feel free to contact the school office on 0121 716 0444 or email enquiry@colmersfarm.excelsiormat.org.

Thank you in advance for your continued support.

Yours sincerely

Mr Williams
Headteacher

Year 6: Safeside – Fire Safety
