Tuesday 24<sup>th</sup> February 2026

Dear Parents and Carers,

At Colmers Farm Primary School, the mental health and wellbeing of our children, families and staff remain a central priority in all that we do.

Following valuable feedback gathered from pupils, parents, carers and staff through our recent questionnaires, we have reviewed and updated our whole-school Wellbeing Strategy. We are extremely grateful to everyone who took the time to share their views. Your feedback plays a vital role in shaping our provision and ensuring we continue to meet the needs of our school community.

Our commitment to wellbeing is underpinned by Article 24 of the United Nations Convention on the Rights of the Child, which states that every child has the right to the best possible health, including mental health. We believe that promoting positive wellbeing is fundamental to children feeling safe, supported and ready to learn.

We encourage you to visit our Wellbeing section on the school website to learn more about our updated strategy, the support available, and our ongoing commitment to promoting positive mental health across the school community:

<https://www.colmersfarm.excelsiormat.org/key-information/wellbeing-at-our-school/>

Please be assured that we are carefully considering all feedback received and will be taking forward key actions identified through the questionnaires. We remain committed to working in partnership with you to support the wellbeing of every member of our school community.

Thank you once again for your continued support.

Kind regards,

Mrs Greep
