Dear Parents/Carers,

EYFS: Wordless Reading Books

Your child has received a special book this week. You will notice that it does not contain any words, but this is an important part of the reading process.

These wordless books will be chosen by the children from our class libraries. Wordless reading books will support your child's communication, language and understanding, as well as their skills to retell stories.

Please encourage your children, with these books, to tell the stories by using the pictures. **Your child will not be given a new reading book if they do not return the previous one.** Please keep this book in their new book bag, which should come to school **every day**.

As you will be aware, children are already bringing home a 'Reading for Pleasure Book'. These are for sharing with adults or older family members at home. They are to help children foster a love for reading, not for children to **read** themselves, though they can of course enjoy looking at them independently.

Reading for Pleasure books will be changed **once a week**. We encourage children to re-read and enjoy favourite books repeatedly to develop their understanding.

Should you have any queries please feel free to contact the school office on 0121 716 0444 or email enquiry@colmersfarm.excelsiormat.org.

Thank you for your continued support in fostering a love of reading at home—your involvement makes a real difference in your child's early learning journey.

Yours sincerely,

Mrs Jones
EYFS Lead
