22nd May 2026

Dear Parents/Carers,

Leavers' Assembly – Wednesday 15th July 2026

We would like to invite you to our Year 6 Leavers' Assembly on **Wednesday 15th July at 9:15am.** Please come along to help celebrate your child's successes throughout their time here at Colmers Farm Primary School and to also help us to begin to say our goodbyes.

Although we appreciate that there is a while to go between now and the end of the school year, many parents have been asking already about dates and times of the assembly to book time off work, etc. We therefore thought we would confirm the arrangements as early as possible.

Following the performance, there will be an opportunity for pupils, parents and staff to mingle amid light refreshments and photo opportunities. We will have a 'photo corner' set-up. You will be allowed to take pictures of/with your child with your own mobile phone cameras. You must however seek permission from other parents first, if you invite other children from the year group into the photograph. **Please do not upload any photos onto any social media platform if they contain images of other children.**

Further to this, we are requesting (if possible) to not bring babies or toddlers to the assembly so that both the children and the audience can achieve maximum enjoyment from this performance. We appreciate for some this may not be an option: we understand and of course welcome you either way. We would also like to advise that only family members will be able to attend. This is due to the limitation on numbers in the hall.

We really look forward to your support with your presence at this event as this will be a truly special moment for our Year 6.

Yours sincerely,
The Year 6 Team
