Dear Parents / Carers,

Medical appointments during school hours

We've noticed an increase in children being collected during the school day for medical appointments. We understand that appointments are sometimes unavoidable, but this does mean lost learning time and can cause disruption in class.

Wherever possible, please try to book medical appointments outside school hours. If your child does need to attend an appointment during the school day, we would really appreciate them being in school before and/or after their appointment, so they miss the least amount of learning as possible.

We know that hospital appointments can be harder to arrange outside of school hours, but we would encourage children to attend school before and/or after these appointments whenever they can.

If you have any questions or would like to speak to us about anything, please contact the school office on 0121 7160 444 or email enquiry@colmersfarm.excelsiormat.org.

Thank you as always for your support.

Yours sincerely,

Mr Williams
Headteacher
