17th June 2026

Dear Parents / Carers,

World Cup – Attendance Matters!

As you will be aware, the World Cup is currently taking place and, due to matches being hosted in the United States, many games are being broadcast late in the evening.

While we appreciate the excitement this event brings—particularly around England fixtures—we would like to remind all families of the importance of maintaining regular school attendance and punctuality.

We understand that the England game taking place this Wednesday evening may be of particular interest. However, we expect all pupils to attend school as normal the following day and to arrive on time, ready to learn. We do not wish to see a drop in attendance or an increase in lateness as a result of children staying up late to watch matches.

We would also like to take this opportunity to remind parents and carers of our school attendance and punctuality policies. Regular attendance is essential for children to make good progress, and punctuality ensures that no valuable learning time is missed. Unauthorised absences or repeated lateness may be followed up in line with our school procedures.

A good night's sleep is vital for children's wellbeing, concentration, and ability to fully engage in their learning. We appreciate your support in ensuring that your child maintains a suitable bedtime routine on school nights.

Thank you for your continued cooperation and support.

Yours sincerely,

Mr Williams
Headteacher
