Dear Parents / Carers

## **Thank you!**

We would like to take this opportunity to say a huge **thank you** for your continued support and generosity in helping us raise funds to improve our EYFS outdoor area last academic year.

Thanks to the combined efforts of our school fundraising events and the successful applications for grants from organisations such as Tesco, we have been able to completely transform our outdoor learning environment. As a result, the children now have access to some fantastic new resources, including exciting play frames, a new mud kitchen area, new water play equipment, and a brand-new playhouse.

These wonderful additions have already brought so much enjoyment to the children and are helping to create stimulating opportunities for learning, exploration and imaginative play outdoors.

We would not have been able to achieve this without the support of our families. Your contributions, whether through attending events, donating, volunteering your time or supporting fundraising activities, have played a vital part in making this project possible.

Following the success of our EYFS outdoor area project, our focus this year will be improving and developing our Forest School area. We have ambitious plans to create an inspiring outdoor learning space that will benefit children across the school for years to come.

We hope that parents and carers will continue to support our fundraising events and initiatives. Together, we can raise the vital funds needed to turn these plans into reality and provide even more wonderful learning opportunities for our children.

On behalf of all the staff and children, thank you for helping us provide such valuable experiences and facilities for our youngest learners. We are incredibly grateful for your continued support and look forward to working together on future projects that will further enrich our children's education.

Yours sincerely,

**Mr Williams**
