15th September 2026

Dear Parents/Carers,

Year 6 Knife Crime Workshop

We would like to inform you that West Midlands Police will be visiting school on **Friday 25th September 2026** to deliver a Knife Crime Awareness Workshop for our Year 6 pupils.

The workshop has been designed to help children develop an understanding of personal safety, make informed choices, and recognise the potential consequences of carrying or using knives.

The session will be delivered in an age-appropriate manner by trained police officers and will provide valuable information to support our wider personal development and safeguarding curriculum.

The aim of the workshop is to:

- Raise awareness of the dangers associated with knife crime
- Encourage positive decision-making
- Promote personal safety and responsibility
- Provide pupils with information about where to seek help and support if needed

We believe this workshop will be both informative and beneficial for our pupils as they prepare for the transition to secondary school and encounter increasing independence within their communities.

If you have any questions or concerns regarding the content of the workshop, please do not hesitate to contact the school office on 0121 716 0444 or email enquiry@colmersfarm.excelsiormat.org.

Thank you for your continued support.

Yours sincerely,

The Year 6 Team
Colmers Farm Primary School
