6th October 2026

Dear Parent's / Carer's,

RSPCA – EYFS, Year 2 and Year 2

We are delighted to let you know that representatives from the **RSPCA** will be visiting school on **Monday 12th October** to work with our EYFS, Year 1 and Year 2 children.

During their visit, the children will learn about the important work the RSPCA does to help and protect animals. They will also take part in activities focused on caring for the environment, including some litter picking around the school grounds. The session will help children understand how keeping our environment clean and reducing litter can protect wildlife and create safer habitats for animals.

This is a wonderful opportunity for the children to develop their understanding of animal welfare, environmental responsibility and the positive impact they can have on the world around them.

We are sure the children will enjoy this exciting and educational experience and look forward to sharing their learning with you.

If you have any questions, please do not hesitate to contact the school office on 0121 716 0444 or email enquiry@colmersfarm.excelsiormat.org.

Yours sincerely

Mr Williams
Headteacher
