Monday 6th September 2021

Dear Parents/Carers

At Colmers Farm Primary School we pride ourselves in ensuring that our children are given as many opportunities and experiences as possible in preparation for later life. In Key Stage 1 the children already attend forest school, play a musical instrument, and attend school trips. In Key Stage 2 the children participate in the SAGE award, play guitars and attend a variety of school trips.

We thrive to be the best that we can be but really value our parents, Governors and most importantly our children's ideas. We are currently working on creating a Colmers Farm Primary School Guarantee to ensure that all children are given a wide range of exciting opportunities to receive a high-quality education before they leave primary school.

We would really like to hear from you. What experiences would you like your child to have before they leave Colmers Farm Primary School? Before we put together a Guarantee, we would like to hear from our parents, Governors and pupils for their ideas.

Please take the time to fill in and return the slip below by **Friday 17th September 2021**. It is important that we work together to ensure that all our children have the best of experiences, whilst they are at Colmers Farm Primary School.

I will look forward to hearing from you,

Kind regards,

Miss S Boyle
Personal Development Lead
