Dear Parents/Carers

Thank you for your continued support during the coronavirus pandemic and for adhering to our risk assessments. Although, dare I say, we hopefully seem to be moving towards the end game of this pandemic in this country, there is still a threat. This is particularly the case with new variants of the virus that are appearing.

As a school, we are still following our risk assessment, which is adapted according to government guidance. To ensure that we keep our school community as safe as possible, we still require your support with the following:

- Parents should still wear a face mask while on the school playgrounds at the start and end of the day (unless they are medically exempt from this);
- Parents should socially distance from one another as much as possible;
- Only one parent should bring their children onto school grounds or collect them at the end of the day.

Thank you for your support in helping to keep our school community as safe a possible.

Your sincerely

Mr Williams  
Headteacher
